Dear Jim:

Last year, as we were looking for a site to locate our business to the Lehigh Valley, we were fortunate to be introduced to you and J.G. Petrucci Co., Inc. I say "fortunate" as the entire process, from the initial meetings with you and Tom Shaughnessy, to the design meetings with Carmine and the many on-site visits with Bill Hodges, were all very positive. I have to say that Bill Hodges especially was really great to work with. He was always very responsive and helped us out on many occasions. Everyone we dealt with overall was extremely professional. JGPCO is a first class operation and your team allowed us to focus on running *our business* rather than managing a building project. You did everything you promised, including finishing the building on time.

Both the building and location at LVIP VI are great!

I would be pleased to allow prospective JGPCO clients to tour our facility. Please contact me to arrange a mutually agreeable time.

Best Regards,

Robert Joseph
President
